Mr. Leopred Jouti
Glen Ellen Calif.

Dear Sir:

If you can give me some data on the wine and grape situation in this valley as affected by the war tax, crop and prices also how the vintage will compare in quality and quantity with other seasons, it will be greatly appreciated as I would like to cover the subject fully well in next Saturdays' issue of the Index.

With kindest regards in which Mr Murphy joins I am very truly yours

Celeste Granice Murphy
